

Name: _____ Group: _____ Date: _____

Total: _____ /48 marks

1) READ the email. Then ANSWER and WRITE the questions below.

To: All employees of T.B. Brown Incorporation
From: IT Department

These are the changes to the company website:

The new URL is <http://tbbrownincorp.com>.
The site has a new web host. The new host supports higher traffic to the site.
The site has new HTML codes. They include several additional meta tags. Our site now receives more traffic from search engines.
All web browsers now support our graphics.
The hyperlinks open new pages. Customers do not navigate away from the original page.
We expect increased sales on the www as a result of these changes.

1. What does 'IT' stand for?

2. Who doesn't navigate away from the original page?

3. Where do they expect increased sales?

4. _____

A new web host.

5. _____

Higher traffic to the site.

6. _____

New pages.

Total: _____ /48 marks

1) READ the instructions. Then ANSWER and WRITE the questions below.

Instructions for New Employee Email Accounts

Welcome to T.B. Brown Industries. Please create your company email account immediately. Follow these steps:

1. Open our email client software. It sends and receives emails. It also stores them on your computer.
2. Click "Add account".
3. Enter your new email address. Use your first and last name with our domain name (firstname.lastname@tbbrowninc.com).
4. Enter our POP3 server for incoming email: pop.quicktel.net
5. Enter our SMTP server for outgoing email: smtp.quicktel.net
6. Enter your Username and Password.

Our ISP provides one account per employee. It is for company communications and attachments only. Use a webmail provider for personal email.

1. What are the instructions for?

2. What's the company's name?

3. How many steps do you have to follow?

4. _____

tbbrowninc.com.

5. _____

One account per employee.

6. _____

For company communications and attachments.

/12 marks

4) LISTEN to a conversation between a QuickTel employee and a customer. COMPLETE the missing words.

E: Thanks for calling QuickTel. How may I help you?

C: Well, I'm a new customer, and my email address isn't receiving mail.

E: Okay. Do you have the correct username and password ?

C: Yes. Those work fine.

E: Okay, do you have a webmail account or an email client? There are some common mistakes with those.

C: An email client. Does that matter?

E: New customers often make mistakes with the POP3 settings. The correct server is POP.QuickTel.net.

C: Oh, that's it. I have POP.QuickTel.com. Thanks.
